MOS Report

Attendance has been fair with an average of 3 heavy fighters in armour and 1 watching and wishing. We had at least three fighters attend SeaLion war on the Mainland. There were no injuries in May, and no incidents to report.

As part of the agreement to rent the hall we were asked to do a demo for the Scouts this will take place on June 23, 2018 at camp Caillet at 10:00. The Scouts will be paying for the rental of the camp. They would like us to show them what the SCA is all about with as many activities as we can bring them.

Chief Scribe's report, ending May 31, 2018

Painting of Tir Righ charters has slowed, with Lady Aspasia still painting.

Hartwood charters will need painters very soon; please let me know if you are available.

To reiterate, I'd like to have a deputy. This office is less about having the skills, but more about ensuring that learning happens, scheduling and assigning production, encouraging volunteers, tracking charters and volunteers, and reporting on office activities. (I am currently doing the digital aspect of

combining calligraphy with design, and sending the result to the printer.) I am developing a manual for the office, and am available to my successor when I step down. Talk to me if you'd like more information.

Well I am penning this after only 8 days of Jun have passed. There have been 6 practices since my last missive. 3 in Nanaimo overseen by Ulf and 3 in Courtenay. Equipment has been re-furbished. The very light axe still has to be re-handled. I am looking for a handle small enough to do the job.

The TW portion of the Black Creek super practice went very well. Þorkell Hrafna (Thorkell) won the challenge with Ulf and Seamus on his tail. Kjartan kráka earned his first signature on the way to becoming a senior Thrown Weapons Marshal and did yomen service by running the range all day. We also had 9 individuals record scores in the Royal Round portion of the day.

Hearty congratulations go out to Ulf. He has joined the honourable level of Grand Master Thrower. This is the highest level of throwing before you run off the top of the scoring system and you are simply graded as ludicrous. Lots of warm weather left for Ulf to achieve this status. After all doesn't everyone wish to be labelled ludicrous.

We have also had a few throwers new to the sport including 3 juniors. Now that the weather should be a bit more stable I hope the numbers attending the practices will increase.
