Nothing to report this month other that we started to refurbish the range and targets. The targets were drying out but recent weather has put a stop to that. I hope to start the TW season next week.

I hope to get a word or two in at the newcomers afternoon on Saturday.

Chief Archer's report, ending March 31, 2018

Thanks to some good team work, the butts are refurbished, and John has some target faces on order. (Team included: John, Harold, Geoffrey & Nona, Adelheid & John, Elphin, Susan, and Daniel!)

The upcoming TUTR in April has some archery classes, and you should go!

Chief Scribe's report, ending March 31, 2018

I hear there are still Tir Righ charters being painted, ready for passing back this month; well done, all. Let's keep it up!

Look for upcoming educational scribal activities, such as the scribal classes at TUTR in April, and the Scribal-Only days, which is in the planning stages (with possibly importing an instructor from the south). Up your game in painting techniques with gouache, give you opportunity to learn and practice new calligraphy hands, and get your feet wet with designing scrolls/charters from the ground up.

Also, I'd like to have a deputy. This office is less about having the skills, but more about ensuring that learning happens, scheduling and assigning production, encouraging volunteers, tracking charters and volunteers, and reporting on office activities. (I am currently doing the digital aspect of combining calligraphy with design, and sending the result to the printer.) I am developing a manual for the office, and am available to my successor when I step down. Talk to me if you'd like more information.

Exchequer Report, Shire of Hartwood  
as of March 31, 2018

As of March 31, 2018, we have \$6579.10 in the regular account, and no change in shares.

I am seeking a replacement exchequer; Symonne is currently not in a position to be able to do so. If you are interested, please contact me for a link to the exchequer manual (or get it online from the exchequers website), have a look at it, and contact me for further discussion. Remember that the exchequer must be willing to be financially responsible with our money because it belongs to SCA, Inc., and any question can lead to the suspension of the branch. I am willing to train, and willing to stay on as deputy, should the new exchequer desire it.

## **Arts and Sciences Report for April 15th.**

Written by Lady Freydis Mannaskelfir, A&S Deputy

Activity is going strong in Nanaimo, Courtney/Comox, Duncan and Campbell River. Port Alberni activity is sparse.

### **Shire Projects**

#### Table bunting:

Large banner to be draped over the head table is 90% done all thanks to Lady Aspasia Bevilaqua who is finishing off all the needed sewing. 6 smaller banners need to have the painting finished before the back pieces fabric sewn on. The fabric to sew on the backs has been cut out. Freydis intended to do the paint herself but is now considering a group painting evening.

#### Court Herald Tabard

Freydis looked at some period examples court herald heraldic tabards as well as some modern branch versions for inspiration. The tabard will be made out of the previously purchased polyester brocade.

Chamberlaine's report

Nothing really new to report, one tote of gold key was given to Freydis and one was received back into stores, this is for the fund raising auction. The weather has been to bad to pull stores out and get the pictures done.
