

12 August 2018  
Shire of Hartwood Council Meeting

Seneschal called to order at 12:20.

Present were: Seneschal, John MacAndrew ; Chronicler, Adelheid von Baerenthal ; Scribal Deputy, Aspasia Bevilacqua ; MOS, Ulf Treteljgar ; MOB, Muirgen ní Bihriain ; Chatelaine, Aline de Seez ; Taking part by online connection was Exchequer-Chief Archer-Scribal officer Halima al Rakkasa.

Corrections of the previous minutes—Managing memberships, moderator, settings and posts for the Shire of Hartwood, should be in the Web Ministers job description and not in the A&S report. As well, the position of Exchequer should take care of the Stores Spreadsheet , as well as being in the care of the Chamberlain.(Korbinian)

Motion to accept minutes as amended. Moved by Ulf, seconded by Aspasia.

There followed the reading of the reports, which will be attached at the end.

A discussion of the number of interested people who were at the Errington Market Demo, who expressed an interest in attending Champions, The possibility of new members. Muirgen was a big draw at the demo.

Champions—all MICs are lined up

Demos—Sept 8-9 Alberni Fair; Sept 14-16 MCOM—more info needed. After much discussion about the timing of SCA events, it was realized that we are not able to do these this year as there are too many other committments.

In July....

A badge was submitted to the college of heralds.

A device went thru preliminaries and needs changes.

A device had inquiries made and is being sent in for preliminary checks.

Please note that it would be appreciated if anyone submitting names, devices or badges to the College of Heraldry drop a quick note to this office informing of the submission. I would also like an electronic copy of the submission sent to me for our branch records. It makes it much easier for me to track and note in monthly and quarterly reports. If you submitted one of these items between March 2018 and now, please forward the information to me as soon as possible.

Due to changes in my work schedule, it will be challenging to attend meetings. I am currently looking for a drop dead deputy to help out. Please contact Elphin if you are interested. Email is [herald@hartwood.tirrih.org](mailto:herald@hartwood.tirrih.org)

Chamberlain's report

I have basically nothing to report. I have had no interaction with stores, though my progress on the house that will be holding them is starting to come along. Several support beams in the basement were compromised and have been replaced. I believe I have located the specific part of the basement where stores will go, I "just" need to empty it, relocate the stuff that's already there, and build appropriate shelving. I would like to thank everyone for their patience with this process.

We have had some good results in the past month but unfortunately the scores have not been transferred to the official list yet. Both Ulf and John are throwing at Grand Master level. I have finally reached the Ludicrous level, though it is not reflected in the score sheet. Good to see Jennye and Jeff out throwing.

Aug 5 - 5 throwers

We did a Royal Round and an Inter Kingdom competition round. Ulf threw a very good 31 and Jeff a very good 30. This puts Ulf in 6th and Jeff at 9th in the Kingdom!

July 29 - 8 throwers including 2 youth. I shot a season height 148. We had 3 first time throwers

July 15 - 4 throwers

July 2 - 3 throwers

Overall we are doing quite well. These numbers do not include attendance at the Nanaimo practice. Ulf could you update Alison, and me with numbers.

Chief Scribe's report, ending Junly 31, 2018

Hartwood charters won't need painting until recommendations come in.

Sarah and I are still planning on a scribal day, and will likely happen in the fall. Actually, more than

one: painting with gouache in medieval style; designing charters; basic calligraphy.

Aspasia has agreed to become my deputy; training has begun.
