### **June 15<sup>th</sup> Webminister Report**

The website launched a 'sports activities' page with what little information I was given. I would still like a few paragraphs on Armoured Fighting, Tourneys and Wars.

I am waiting on approval to add a very basic event stewards guide, with links, to the library.

I am re-writing the library code to make it easier to maintain. There will be no differences from a user experience.

Email account recovery is tricky. If you are asked to use an email or phone # to verify your account, please don't; contact me instead, and I will set up a central way of dealing with it. At the moment, we have no way to manually change these, so old officers may be getting emails.

~ Cunegonda van den Bossche, Hartwood Webminister.

### **June Chronicler's report**

Since there was no meeting in May, life was quiet in the Chronicler's office. I am attaching the minutes of the April meeting, which will be necessary for the new Exchequer to take to the bank, to get signing privileges once the minutes are ratified.

At crack of dawn Friday 14th June, I will be leaving my computer and will be out of touch until Tuesday 18th June.

Sorry to be missing the Council meeting.

Yours in Service, Adelheid von Baerenthal

## **June Chatelaine's report**

Demos-we had a wonderful demo on May 30th for the 6 Grade 8 classes at Ballenes Secondary School. I would like to thank Halima, Harold, Aspacia and John for coming out to help. We had 5 stations set up covering areas as weaving/spinning, Heraldry, games, archery and period painting. Unfortunately, due to ill health, work and other issues, our fighters were unable to come and do the fighting demo. We have been asked to come back to do individual classes on paper making and book binding, which are in the works.

Upcoming demos-we don't have any demo requests. Scarlet will be manning a table at the upcoming Pt Alberni Summer Solstice Event. I have sent her some business cards and brochures.

Newcomers- we continue to have some new folks dropping by our A&S nights and 3 of them have come out to archery practice this month.

Office Items-I have purchased 500 new business cards with the new email address on them! This will be coming out of my budget. I was able to access a discount from Vista Print through my Tupperware Business.

Media-I wrote up an article about our Newcomers Event for the Cowichan Valley View magazine. I did not see the article in the magazine, but the notice about it was posted on their Calendar. I've attached a copy of it.

## **Shire of Hartwood TUTR report June 2019**

Office is empty so Seneschal reporting.

Seneschal continues to look for a new officer.

Clarifying requirements for "pop-up" TUTR practices similar to A&S gatherings. I am hoping to get these started in parks to boost A&S/TUTR/public awareness.

Master John Macandrew,  
Seneschal, Hartwood

### **Exchequer's report June 2019**

I just got home from A&S where I talked with Halima about Council. I have family arriving Saturday at 2:15 and would prefer not to go to the meeting just to report on the bank balance. So, Halima has volunteered to report in my place. I am also to write a formal Monthly Report and send you to before Saturday in which I will give the balance (\$13105.39) and make comment that I am looking forward to the last set of minutes being ratified. Once I get a copy of the new minutes I can take it to the bank. Once this is accomplished life will be easier.

### **Chamberlain's report June 2019**

Ultimately, there is nothing to report save that I recieved some SCA signs, the stone walls, the tablecloths, coffee urn and some combat Eric's from Fionualla.

#### **Hartwood Reports Apr 29 2019 - Jun 16 2019 Thrown Weapons**

We had a busy time over the past month. Five practices and two end 3 events.

I attended Fiordland Rising where I came in second to Sebastian. 6 of the top 10 throwers were at this fantastic event. I attended Sealion War where Seagirt won the TW war point, and finally I attended June Coronet which was notable for its weather,

We currently have 3 throwers in the top 10 scorers. SST

(Seagirt held on Denman Island) is fast approaching. Thrown Weapons will be available. I hope we can put on a good showing.

I forgot to ask Dave about Nanaimo practices. Please ask at the meeting.

The TW soft target needs re-building and new hay bales need to replace the sad one in use.
