Fight practices have been happening in Comox every week with an average of four fighters attending. Asa has no injuries to report. Fight practices in Nanaimo have been cancelled due to lack of attendance.

Fighter practices will continue throughout the summer at the same venues. Looking forward to Hartwood Champions and having a Hartwoodian take back the rapier title.

Exchequer's report for Jul 13, 2019

This has been a very quiet period with little change in our financial position. The current balance is: \$12,416.28. I fully expect there will be considerably more activity showing next month.

Sincerely,

Juliana Ctherbertson

Chief Archer's report, as of August 10, 2019

On Fern Rd, Courtenay - Average attendees is a little over 6. We have a core group of regulars, and then others as they can. We had 16 individuals on the sheets over the last month or so, but not all at the same time.

On Denman Island - Kjartan is holding regular practices, and, outside of an occasional archer, practicing solitary.

Nanaimo - No activity yet.

Duncan - No activity yet. Waiting on the development of area marshals.

The extra practice, "Foresters' Challenge", organized by Archos John and held at Archos Harold's, went well. The day began with a late breakfast to fortify us, and then we applied ourselves to longbow and crossbow, tests of knowledge, tests of skill, and combinations thereof. We polished off the last of the food, and, by the end of the day, came away with at least one more thing we each wanted to improve upon. It was a good day!

Loose safely!

Herald's report 13 Aug 2019

Failte to the Shire!

Exciting things shaking and happening in Herald land!

Two names and devices have been sent up to Laurel for the final step in submission! Fingers crossed for Adelheid and Maurus.

This office has been approached by an individual for instruction in Town Crying. Fall Champions will provide an excellent training ground for this young herald.
