Seneschal

Anastasia Szabo – 2027-07-31

- Things have been very busy in my personal life with work having some serious issues, so I've been trying to keep up as best I can over the last month, and apologize if I missed anybody and your requests, just keep asking, and I will get to it. I'm looking forward to the next few months. We've got some great events coming up. I really enjoyed Daffodil with my honor guard. That was fun. It's probably the only time I'm ever going to get to do that, so that was a lot of fun. So thank you for everybody for that.

Chief Scribe

Muirenn ingen ui Briain - Feb 2028

Most of the principality charters have been handed out to paint. Some shire tokens are getting painted, with some fresh new illuminators trying their hands at it.

Looking to get some new designs for our defender tokens. Also looking for names for Atlatl defender, games, and maybe cut thrust defenders so that tokens can be made.

(Some ideas for names brought forward include: atlatl; defender of the Knoll or glacier. Games; defender of the meadow or vale. C&T; defender of the cliffs.)

As always, anyone who would like to design/ paint award tokens are most welcome, and award recommendations are always sought after.
