Officers: Please find your office below and fill in your report. Pre-filled talking points are suggestions only.

Seneschal

Anastasia Szabo – 2027-07-31

- This has been another busy month! Welcome to our new Exchequer who is working with her Deputy to learn everything that she needs to know to succeed.
- We continue to work on many items for the Baronial work. Thank you to the Fundraising and Steering Committees for your continued dedication. Regalia, we will have lots of work for you, hopefully soon!
- We are sending out reminders to everyone to send in recommendations for tokens to be given out at Defenders in July. We need to give our Scribes lots of time to work on the scrolls for these tokens, so let's get those recommendations in! There's a recommendation form on the website library if you'd like to use that, or send me an email directly. You don't even have to know what token you are recommending them for – just tell us about the person and myself and my crack team of Heralds will sort the rest out!
- Quarterly reports are due in one month and 6 days!

Ysabel de Lyle – Deputy

Good Afternoon,

Both Ysabel and I have had a bit of a slow month due to our health, but we are working on getting the weekly practices put out online every week.

It's very gratifying seeing just how much is going on in our little shire that could.

As well, I was sent a very good set of guidelines for SCA Recruitment and Retention that is new by Mistress Halima. I will be going over this with Ysabel and we can see how we'd like to be putting these suggestions into practice.

As always, with joyful Service!

Mistress Letitia Talbot OP

Chief Scribe

Muirenn ingen ui Briain - Feb 2028

Painted principality charters have been turned in, just missing a few, they'll need to get turned in fairly soon. (There's a backlog on the friends of tir righ charters, so they're fairly urgently required)

For shire tokens, we've had a few new illuminators turn in amazing work, and our ongoing contributors doing incredible work.

Looking to get some different designs for defender tokens, and shire awards possibly incorporating art from other cultures.
